

Vulcana

Unwind in style

Vulcana is a sauna that combines a stylish, modern design with the finest craftsmanship and superior materials.

The deep golden color and smooth surfaces of the thermo-aspen walls are elegantly offset by dark embossed Ignite cladding to create a uniquely tasteful and striking synergy.

Thrill your guests with this sauna's luxurious aesthetics or treat yourself to a serene, cozy private wellness retreat – whatever the occasion, Vulcana is sure to please.

Key features

Modern, sleek design

The perfect indoor sauna for the modern home, Vulcana combines high-quality materials with stylish aesthetics for a contemporary wellness experience.

Cladding combination

Vulcana's attractive, deep-golden thermo-aspen cladding panels are complemented by exquisite dark accent walls in Ignite alder.

Auroom x HUUM CORE heater

Designed in co-operation with award-winning producer HUUM, our CORE heater comes with a range of safety features including a child lock and door sensor

HUUM UKU Glass controller

UKU Glass makes operating your sauna's heating and lighting easier than ever. The control unit offers several safety features and a Wi-Fi connection to the Auroom mobile app.

Interior LED lighting

LED lighting embedded in the wall panels adds a bright touch of luxury to the stylish Vulcana sauna.

Auroom mobile app

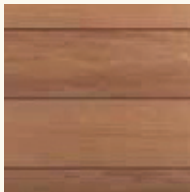

The sauna's temperature can be conveniently controlled from your phone using our mobile app, with timer and child lock features.
